

Conclusions:

➤ Marketing to existing and future customers are similar, given data presented (poor sleep, health awareness).

• Recommendations would be marketing with a companion fitness app to help track user sleep and steps, setting goals, giving notifications, etc.

More data collection on Bellabeat's demographics of women fitness device users recommended.

Conclusions:

- ✦ Marketing to existing and future customers are similar, given data presented (poor sleep, health awareness).
- ✦ Recommendations would be marketing with a companion fitness app to help track user sleep and steps, setting goals, giving notifications, etc.
- ✦ More data collection on Bellabeat's demographics of women fitness device users recommended.
